as a director uv the Han'bul and St. Joe I've gos to protect the rights of McGinnis, of Kansas City, has return-those folks. So Jist keep the baby ed to her home after a visit.

quiet as you can." Now, there warn't nothing cross in the colonel's tone; the colonel wux na there wurn't anything left vous, 'nd after the colonel went back

There wus one bunk left when I widder bewitched—with all this goin' boarded the sleepin car, and I had on, sleep wur out uy the question. Polks began to wake up nd put their It was then just about desk, an' heads outern their bunks to see what the nigger that sort uv sun things in wur the doggone matter. This made C. B. Morrises and guests, the Misses second time 'nd come down the car "What for?" sex I. "Hain't I paid 'ad looked at the young woman over

o all the inxuries uv the outher."

Now, as I was tellin' you ofore,"

Then nigger leant over an' told me sea he, "I hain't makin no complaint "Now, as I was tellin' you ofore, that Colonel Elljah Gates, one uv the uv myself, for I've raised a family of directors uv the road, an' the richest 'leven children 'nd I know all about man in Marion county, wur aboard, an' 'em. But these other folks here in It wur one of the rules uv the compa- the car have paid for a good night's my not to do anythink to bother him sleep, 'nd it's my duty as a director or set him to sell his stock. The nigger pointed out Colonel they get it. Seems to me like you The nigger pointed out Colonel they get it. Seems to me like you ber of friends to a rowing party Fri-Gates, and I took a look at him as he ought to be able to keep that child day afternoon. Of course they had a sot readin' the Palmyry Speciotor. He quiet-you can't make me believe that delightful time. wax one of our kind uv people-long, there's any use for a child to be carabout 60-maybe not quite onto 60.He know sumpln's hurtin' it by the way wurn't bothered with much hair onto It cries. Now, you look 'nd see if there his head, 'nd his beard was shaved, all ain't a pin stickin' into it somewhere

This fringe filled up his neck so that He reckoned he'd find things al he didn't her to wear no collar, 'nd he right this time, 'nd he went back to hadn't no lewelry about him excep' a his bunk feetin' toler'ble satisfied big carnelian bosom pin that hed the with himseif. But the young woman ure uv a woman's bend on it in couldn't find no pin stickin' the baby, to. His speciatot well down on his 'nd no matter how much she stewed

richest man in Marion county 'nd a di-one, that he 't his at all, may break rector uv the Han'bel 'nd St. Jo to him. There is generally a last straw, even when it comes to the matter up

se'd drawed his boos 'nd bung up his most for the third time outen his bunk

bunk, 'nd presently we beerd him "Look a-here, my good woman, sleepin'. There wur nothin' else for set he to the young woman with the like rest uv us to do but to foller suit, haby, "as I said afore, you must do tater—say along about Prairie City— like this. They've paid for a good and Mrs. clave, Mrs. Claggett, of Kan-filing up with Virginians and Kenthat a woman come aboard with a night's sleep, and it's my duty as a sas City, and Mrs. J. T. John-tuckians and very few of them were but the nigger allowed that she might pertest ag'in this disturbance. I've set back near the stove, for the baby raised a family of 'leven children, 'nd peared to be kind uv sick like, 'nd the I know, as well as I know anything. voman looked like she had been that that child is hungry. No child Whether it was the joundin' ever cries like that when it isn't but

> "Law me sir," set the young woman "I ain't the baby's mother-I'm only

The colonel gut pretty mad then 'ad teld the young woman that she'd his face got red 'ad his voice kind uv "Where is its mother?" says the

"Why isn't she here takin wun't be disturbed. The young woman care uv this hungry and cryin' child "She's in the front car, air, see the H. E.C. Tuckers took supper in the

little face with her shawl, 'nd done all young woman, a chokin' up. She's in them things thet women do to make the front car in a box, dead, we're takin' the body 'an the buby back

The colonel didn't wait for no se

The most talkative man is John Wesley Gaines, of Tennesseee, who, though privately a charming person, counts that day lost wind a sound another sound and this is the state of facts existsional Record. The most silent man is ing in all places where these roads are established. of telling what he knows, and has not ferred to are in a more thickly inhab een heard to speak, either in com- ited part of our country. But the nittee or on the floor, since he has states are not three times, nor five been in Congress.

The loudest voice is possessed by Charles E. Littlefield, of Maine, who also has the highest speed of any talker in the House. The lowest and ways for delivering it on their tracks jost halting voice is that of Joel for a long haul we have the advanta Heatwole, of Minnesota, who is a of any of these roads. In the matter newspaper writer and is credited of having no competition with stem with the finest Congressional organ- railroads or other lines we have t ization in the world.

The most profane man is "Uncle" St. Louis we have the decided advan-log Cannon, of Illinois, and the least tage. wearing member is Washington The road from here Gardner, who is barred by the fact that he is a minister of the gospel.

After M'Laurin's Seat-

COLUMBIA, S. C., June 17.—The ters received by Mr. Orear: South Carolina campaign for all offices John D. Orear, Mexico, Mo. opened to-day. The rules of the pri-mary require all candidates to canvass Sir: The names of farmers living the state, going in a "party" to each to can take the Denison and Sherman electric county. This year, because of the great number desirous of serving the people, it was found impossible to let them all speak on the same day, so the State is being toured by two sets of from 50 to 300 per cent. Increase candidates

W. H. Ferguson, of Montgomery consists of the aspirants for United business way it has been the best states Senator in place of McLaurin thing Denison ever had. Yours very good at the Presbyterian church in and for the House of Representatives. Henry Geiler, of Vandalia, and gressman William Elliott and A. C. June Maggie Webb, of Laddonia, were Latimer, former Congressman John J. Hemphill and George Johnstone, State mator D. S. Henderson, and ex-Gov. John Gary Evans.

The campaign party containing candidates for all state offices made its start to-day in Sumter. There is other and it centers in the contest for country than in the town of any consequence and every color and it centers in the contest for country seat has or expects to have an electric road. Have no inside information of the country seat has or expects to have an electric road. Have no inside information of the country seat has or expects to have an electric road. int-Governor, J. H.
